ABOUT US

In 2008, The Tenser Industrial Group, determined to make Iran's name great on the global market, first received an operational license from the Industrial Ministry in faucet production. Beauty and innovation, in harmony with a high quality of products, have all combined to help make Tenser a unique brand. Which integrate both technological progress and beauty to meet our customers' needs.

OUR TEAM

Tenser uses the E Our management and industrial design teams work non-stop to design products European CE and QAL standards in our quality control management system. The diversity of Tenser products is eye-catching and appeals to a wide variety of consumers' tastes and needs.

QUALITY

The frames of our bathtubs and Jacuzzis are covered with an antibacterial ABS and are formed from three acrylic layers. These layers are further reinforced with seven layers of fiberglass. Our Jacuzzi LX engines are Italian-designed and of the highest quality. The chassis are made with 304 stainless steel. Halogen lights, blower engines, heating and radio kits all add to the pleasure of Tenser products.

GUARANTEE

We offer a ten-year unconditional warranty for our faucets and a five-year warranty for our bathtubs and Jacuzzis, all of which reflect the Tenser quality and confidence among consumers. Our customers have grown to love Tenser, a national gem of innovation and quality.
